

Sándor Kerekes Professor Emeritus  
Budapest Corvinus University  
sandor.kerekes@uni-corvinus.hu

Professor Sándor Kerekes, **founder of the Department of Environmental Economics and Technology** at Corvinus University of Budapest. He got his MSc in Chemistry (in 1971), PhD in Management (in 1984) and DSc from Hungarian Academy of Sciences (in 2003).

He finished the **Advanced Management Program at Harvard Business School** in 1994, and then he was a **City Bank Fellow** at Kenan Institute in Chapel Hill USA.

Prof. Sándor Kerekes **introduced Environmental Education at the Corvinus University of Budapest** in the early 1990's and he has published dozens of textbooks, books and articles in environmental economics and management.

He used to work as a **trainer for UNDP** between 1990-1992 in Ukraine, Belarus, Kyrgyzstan and Kazakhstan preparing and evaluating different development projects. In 1996 he was one of the founding members of CEMS interfaculty group „Environmental challenges” and till 2011 he was the leader of it. He was the member of CEMS executive board representing Corvinus University for more than 14 years.

Sándor Kerekes has led several international and domestic projects in the fields of environmental regulation, resource economics and environmental management.

Founding HCPC (Hungarian Cleaner Production Centre) in 1997 his interest turned to the promotion of preventive environmental practices in the region. He used to be the **national co-ordinator** of the Transfer of Environmentally Sound Technologies (**UNIDO**), (1997-2007).

From 1997 he was leading a nation-wide research, evaluating the EU accession of Hungary from environmental point of view. More than 120 researchers were involved to that project. He was one of the founding members of the Hungarian National Environmental Council. Between 1996-2011 he was member, vice president or president **of the National Environmental Council**. He also **Member of the President's Environmental Scientific Council of Hungarian Academy of Sciences**.

He used to be the **Dean of Business Administration Faculty** at Corvinus University of Budapest (1994-1997 and 2002-2006).

From 2006 till 2011 he was the **Academic Director of the MBA programmes** of Corvinus School of Management. Between 2006-2009 he used to be the **Chairman of the Hungarian Accreditation Body's Economic and Business Administration Committee**.

2008-2011 he was the **Vice Rector** of Corvinus University of Budapest, responsible for science and international relations. In 2012 Doctor Honoris Causa degree has been awarded for him by Warsaw School of Economics.

2013-2018 He was the head of the Doctoral (PhD) School for Management and Business Administration of Kaposvár University. From 2018 he is a professor emeritus of Corvinus University.
